Keeping Things Safe & Clean

The safety and well-being of our guests and employees are of top priority to us.

In light of the COVID-19 situation, the hotel has been readjusting to the new norms by implementing mandatory health and safety measures. Guests can expect to see evolved procedures in the hotel, including:

- **Increased frequency of cleaning and sanitisation of public areas**, especially high-touch areas with hospital-grade disinfectants and germicidal cleaners.
- **Mandatory checks for all individuals entering our premises**. This includes temperature screenings and SafeEntry digital check-ins.
- **Enforcement of safe distancing**. To facilitate safe social interaction, signages, markers and clear acrylic partitions will be used.

We will actively monitor and redefine our cleanliness standards, and continue to keep our guests and employees safe as we navigate the new environment.
