The safety and well-being of our guests and employees are of top priority to us.

In light of the COVID-19 situation, the hotel has been readjusting to the new norms by implementing mandatory health and safety measures. Guests can expect to see **increased frequency of cleaning and sanitisation of public areas**, especially high-touch areas with hospital-grade disinfectants and germicidal cleaners.

We will actively monitor and redefine our cleanliness standards, and continue to keep our guests and employees safe as we navigate the new environment.
