Ramadan and Hari Raya Gift: **No GST, No Service Charge for Guests at Carousel**

Singapore, 10 March 2025 – In the spirit of generosity and celebration, Carousel is proud to announce a special initiative for Ramadan and Hari Raya: all GST and service charges will be fully absorbed for dinner guests dining from now until 13 April 2025.

This initiative was made possible through a collaboration with Carousel’s key suppliers, reinforcing the restaurant's commitment to ensuring that families and friends can continue to gather, break fast, and celebrate without additional financial concerns.

A Gesture of Generosity for Ramadan

From now until the completion of Ramadan, Carousel invites guests to experience Iftar in an atmosphere of warmth and togetherness, without the burden of extra costs.

“We recognise that this is a special time for our guests, and we want to make their celebrations as meaningful as possible,” said Abraham Tan, Director of Food and Beverage at Royal Plaza on Scotts. “Thanks to our valued partners, we are able to offer this Ramadan gift,

ensuring that families can come together and focus on what truly matters—sharing moments of joy over great food.”

A Festive Raya Celebration with No Extra Costs

As Ramadan concludes and Hari Raya festivities begin, Carousel will continue this offering to mark the occasion with ‘Our Raya Gift to You’—no GST, no service charge for all guests on Hari Raya Puasa. The initiative highlights the restaurant’s commitment to making premium buffet dining more accessible during this celebratory period. “By removing additional costs, we want to enhance the festive experience while maintaining the high standards that Carousel is known for,” added Tan.

Bringing the Experience to Life

Guests dining at Carousel during this period can look forward to an extensive halal-certified buffet spread, featuring an array of international cuisines, fresh seafood, and exquisite desserts. Special highlights include themed Iftar selections, signature Raya dishes, and a warm, family-friendly dining environment.
